Extreme Weather Information

Stay alert to changing weather conditions. When extreme or severe weather is predicted, turn to your local television and radio news stations for more information.

Follow the National Weather Service in Portland on Facebook for information on weather events and preparedness tips.

Consider purchasing a NOAA Weather Radio and program it to alert you when inclement weather is approaching. Many models are capable of Specific Area Message Encoding (SAME) and can be programmed for the county you live in.

Consider downloading a smartphone app that will alert you to changing weather conditions. There are many free options available, so you can choose one that best suits your needs.
